For Immediate Release

Quincy Area Safety Council Sponsors OSHA General Industry Courses

The Quincy Area Safety Council (QASC) will sponsor OSHA General Industry Courses July 18 - 21 at Vatterott College in Quincy. The OSHA 10-hour General Industry Course will take place from 8am-5pm Monday, July 18 - Tuesday July 19. The OSHA 30-hour General Industry Course will take place 8am-5pm Monday, July 18 - Thursday, July 21.

The OSHA 10-hour program is designed and intended to provide instruction on a variety of general industry safety and health standards to entry-level workers. The course emphasizes hazard identification, avoidance, control and prevention. Registration fees are \$175 for members (with a \$25 member discount for each additional student from the same employer) and \$195 for non-members.

The OSHA 30-hour program is more comprehensive than the 10-hour general industry program. It is designed for anyone involved in general industry, especially personnel responsible for supervision, management, safety and the company's employees. The course emphasizes hazard identification, avoidance, control and prevention. Registration fees are \$425 for members (with a \$25 member discount for each additional student from the same employer) and \$450 for non-members.

Thomas Grey, CHCM, President, Grey & Associates, Champaign Illinois is the instructor. Tom Grey is a highly skilled trainer and coach in employer and employee development of safety performance. Tom has over 28 years of hands on experience as a former plant manager, safety manager, human resources manager and quality control manager in manufacturing, distribution and trucking industries.

Tom is a graduate from the University of Illinois and a US Army Veteran. He is a trained Industrial Designer, Humane Resources Generalist, Board Certified Hazard Control Manager (CHCM) and OSHA Outreach Trainer. Tom has been trained in the OSHA Outreach OSHA 501 General Industry 10-hour and 30-hour Trainer Program. He is also authorized to instruct for the National Safety Education Center and the OSHA Training Institute on the OSHA 511 General Industry Course and SHA 501 General Industry Train-the-Trainer Course.

For more information and to download a registration form, visit www.qasc.org or <http://www.gredf.org/news-center/> or call /email: 217.224.0149 / qasc@adams.net.

The mission of the Quincy Area Safety Council is to improve safety in Quincy and the surrounding area through a network of safety-minded individuals acting to predict, prevent, and minimize accidents.
